

Worship Care is provided for children birth through age 4 during our 10:30 Worship Service. Our loving staff of volunteers has gone through an extensive background check and Child Abuse Prevention training prior to serving children. This training and checks are followed up on regularly to assure the safety of the children in our care.

If your child attends age appropriate Bible Study @ 9:00 a.m. they will remain in that room through the 10:30am Worship Service.

PURPOSE:

- Our goal is to provide a loving and caring atmosphere where preschoolers can have fun as they learn about God through age appropriate activities, stories and play.

YOU NEED TO KNOW:

- ✓ We will provide a **small snack** such as goldfish or crackers and water. ***If your child has any special dietary requirements, we ask you please provide an appropriate snack for them.**
- ✓ If your child is **potty training**, you need to make their teacher aware as you check them in their room and provide diapers for your child.

CHECK-IN and SECURITY:

Security for your children while they are with us is a top priority.

- ❖ Please check in your child at the front desk of our Preschool entrance.
- ❖ You will receive a two-part security tag. You will wear or keep one part of the tag and you will place the other on your child's back.
- ❖ A pager will also be assigned to you. If your child needs you during their time with us the pager will vibrate.
- ❖ When you pick up your child, you will surrender your part of the security tag and it will be matched to the tag given to your child at check-in. Your pager will also be collected at this time.
