

FAMILY WORSHIP DISCUSSION GUIDE

PRAY

Pray that God would give your family wisdom to listen to Him above anyone and anything else.

READ

Read Proverbs 1:27-33 aloud.

DISCUSS

- Who are some people in your life that you listen to?
- What are some differences between a person who listens to God and a person who does not listen to God? Which of these characteristics stand out to you?
- What does it look like for our family to "listen to God" and "dwell in his refuge?"

SING

Sing the hymn, "The Lord Is My Salvation," together as a family.

PRAY

Pray that God would give your family a passion for listening to Him through His Word above all else. Then ask for strength and grace to respond in obedience.
