

FAMILY WORSHIP DISCUSSION GUIDE

PRAY

Pray to God, praising Him for His wisdom and understanding that He gives to us.

READ

Read Proverbs 2:1-2 & 9-12 aloud.

DISCUSS

- What is something you want more than anything else? How have you tried to seek it out?
- Do you want wisdom from God in this same way?
- What are ways we can gain wisdom from God?
- What are some of the benefits of finding wisdom from God? Which of these benefits would be most useful to our family right now?

SING

Sing the hymn, "I Will Trust My Savior Jesus," together as a family.

PRAY

Pray that God would give your family wisdom to see the world the way He does, and grace to live the way He desires for us to live.
