READ

DISCUSS

- What is your dream job?
- Considering passages such as Matthew 6:19-24, what are some biblical principals regarding how we should view money? How does this passage work into those principals?
- What do you need to be discerning of and why is it important?

SING

Sing the hymn, "My Worth Is Not In What I Own," together as a family.

PRAY

Pray and ask God that your family would be marked by a love for Him and not a love of money.
