

FAMILY WORSHIP DISCUSSION GUIDE

PRAY

Pray and give thanks for the mercy that God has shown you for sins that you have committed.

READ

Read Proverbs 28:13 aloud.

DISCUSS

- What do you consider the greatest grace God has shown you in your life outside salvation?
- What effect does concealing sin have on a person's life? Give examples more specific than, "not prospering."
- Consider the Prodigal Son (if you would like to read this account, turn to Luke 15:17-24), what things stick out to you about the mercy received by the son after confession?

SING

Sing the hymn, "In Christ Alone," together as a family.

PRAY

Everyone silently pray and confess unconfessed sins to God. Have one person close your time of prayer by asking God to reveal sins that you may need to confess to God and to others.
