Read Proverbs 8:1-5 aloud.

DISCUSS

- What are subjects that you like to study?
- What are some of your favorite truths that we learn in Scripture? Why are these your favorite?
- Go around and have each family member answer this question. What is a specific way that you can take your Bible intake to the next level?

SING

Sing the song, "I Want To Know You," together as a family.

PRAY

Everyone pray for the person to your right. Pray specifically that their intake of the Word would grow in the specific way that they mentioned earlier.
