

# FAMILY WORSHIP DISCUSSION GUIDE

## PRAY

Pray and thank God for being patient with you when you sin against Him.

## READ

Read Proverbs 20:22 aloud.

## DISCUSS

- What board games do you play that encourage you to seek revenge on other players?
- According to this verse, who has the authority to cast final judgement on others? Why can it be frustrating to surrender this responsibility to God?
- Read Matthew 5:38-42. How should you treat those who have wronged you? How can trusting God to "deliver you" help you do this?

## SING

Sing the hymn, "I Will Wait For You," together as a family.

## PRAY

Pray and ask God to help you love those who have wronged you just as Christ loved us.
