

# FAMILY WORSHIP DISCUSSION GUIDE

## PRAY

Pray, praising and thanking God for all the ways He has physically and spiritually blessed your family.

## READ

Read Proverbs 8:32,34 aloud.

## DISCUSS

- Each member of the family share two things that make them happy.
- Why do you think someone is "blessed" when they listen to and keep the ways of God?
- What are specific examples of being "blessed" when choosing God over sin? Cite passages of Scripture that either explain this truth or give us an example.

## SING

Sing the hymn, "Joy To The World," together as a family.

## PRAY

Pray and ask God to give your family a passion for following His ways, that you may find true happiness in Him.
