

# FAMILY WORSHIP DISCUSSION GUIDE

## PRAY

Pray, thanking God for the care that He took to create and know you personally.

## READ

Read Psalm 139:1-6, 23-24 aloud.

## DISCUSS

- Which of your friends (not a family member) knows you best?
- Does God's intimate knowledge of who you are comfort or concern you? Why? Based on the passage, how do you think David would answer this question?
- What does David request of God in verses 23-24? Why does David ask this? What is the benefit of seeking the wisdom of someone who knows you better than you know yourself?

## SING

Sing the hymn, "What Love, My God," together as a family.

## PRAY

Pray Psalm 139:23-24 for your family.
