

FAMILY WORSHIP DISCUSSION GUIDE

PRAY

Pray, thanking God for the spiritual blessings that He gives to those who follow Him.

READ

Read Psalm 84:5-7 aloud.

DISCUSS

- What is your favorite trip that you have ever been on?
- In what ways can your relationship with Christ be compared to a "journey" as it is described in the passage? Identify specific elements of your personal journey and how they contributed to your relationship with Jesus.
- Consider the Israelites from the passage. What was their focus on throughout their journey? What are things that can sometimes pull your focus from Jesus? What about these things causes you to focus on them more than you should?

SING

Sing the hymn, "Turn Your Eyes," together as a family.

PRAY

Pray that God would supply your family with all that you need to focus on Him throughout your entire journey of following Jesus.
