

# FAMILY WORSHIP DISCUSSION GUIDE

## PRAY

Pray, thanking God specifically for someone whose testimony has been an encouragement to you before.

## READ

Read Psalm 40:1-3, 9-10 aloud.

## DISCUSS

- What is your favorite story to tell from your childhood?
- Based on verses 9-10 how honest is David when he is sharing his testimony? How do the people respond and what do they gain from hearing David's testimony?
- Consider times when you have shared your own testimony, how does the way you share your story compare to David? What are ways that you could use your own testimony to point others to Jesus?

## SING

Sing the hymn, "Blessed Assurance," together as a family.

## PRAY

Pray, asking God for opportunities for you to vulnerably share your testimony with someone else to help point them to Jesus.
