

FAMILY WORSHIP DISCUSSION GUIDE

PRAY

Pray, thanking God for His mercy to give us His word so that we can recognize sin and learn to repent of it.

READ

Read Psalm 52:1-5, 8-9 aloud.

DISCUSS

- Identify the one object that you or someone else broke that you were the saddest about.
- According to the passage, what are things that are destroyed because of sin? How have you personally seen the destructive nature of sin in your own life?
- Knowing how destructive sin can be, how seriously do you take your own sin? Read Romans 12:9. What is Paul's view of sin? What does Paul tell us to focus on to protect ourselves from the evil nature of sin? How can you do this in everyday life?

SING

Sing the hymn, "[Cling To Christ](#)," together as a family.

PRAY

Pray and ask God to strengthen and equip your family to fight the sin in your lives that is so destructive.
