

FAMILY WORSHIP DISCUSSION GUIDE

PRAY

Praise God for His awesome power to carefully reign over all of life.

READ

Read Psalm 54:4-7 aloud.

DISCUSS

- What are things in your life that you have no control over but wish that you did?
- According to the passage, who does David say is in control of his life? How does this belief impact his behavior in the midst of trials? What hope does verse 7 give to those who trust in The Lord like David did.
- When trials come, what do your actions say about who you believe is in control in those situations? Explain. Work together to identify reasons why it is best for God to be in control of your life, and not yourself.

SING

Sing the hymn, "Praise To The Lord," together as a family.

PRAY

Pray, asking God to help your family to rest in His control in the midst of trials.
