

FAMILY WORSHIP DISCUSSION GUIDE

PRAY

Pray for the leaders in your life (home, church, government, school, work, etc.), thanking God for their leadership and asking Him to give those individuals wisdom to lead in a way that pleases Him.

READ

Read Psalm 146 aloud.

DISCUSS

- Who would you consider to be great leaders?
- How do the abilities of human leaders compare to the abilities of God as described in the passage? Work together to identify other areas where God succeeds but man fails.
- Describe the life of someone who places their hope in The Lord? How does this person's life differ from the one who hopes in man?

SING

Sing the hymn, "All Hail The Power Of Jesus Name," together as a family.

PRAY

Praise God for the way He graciously rules over all of His creation.
