

FAMILY WORSHIP DISCUSSION GUIDE

PRAY

Pray, thanking God for guiding you through life by the light of His word.

READ

Read Psalm 19:7-11 aloud.

DISCUSS

- Identify different things that help people to see.
- List the benefits of studying and understanding God's Word that are described in the passage. How have you seen these benefits in your own life or the life of someone that you know? Share an example.
- What does it mean for Scripture to be "enlightening to the eyes?" In what ways can Scripture help you to better "see" the world around you?

SING

Sing the hymn, "I Want To Know You," together as a family.

PRAY

Pray and ask God to help your family make the study of Scripture a priority, so that you could grow deeper in your relationship with Him.
