

FAMILY WORSHIP DISCUSSION GUIDE

PRAY

READ

Read Psalm 3 aloud.

DISCUSS

- What are the most outrageous fears you have ever heard of? What makes these fears outrageous?
- How do people commonly try to handle their fears? Why do you think they do this? In contrast, how does the passage describe how we should handle our fear?
- Read Philippians 4:6-7. What command does this passage give to Christians? How does David embody this passage? What promise does Philippians 4 give for those who obey the command?

SING

Sing the hymn, "Still, My Soul Be Still," together as a family.
