

FAMILY WORSHIP DISCUSSION GUIDE

PRAY

Pray, praising God for His justice in every situation.

READ

Read Psalm 10 aloud.

DISCUSS

- What is the nicest thing anyone has ever done for you?
- Describe the wicked man in the passage. How does he treat the people around him?
- How does the Psalmist respond to the way the wicked man mistreats others? How can people around you be mistreated everyday? How can you specifically help those who are being mistreated?

SING

Sing the hymn, "Christ Our Hope In Life And Death." together as a family.

PRAY

Consider people in your life who have mistreated you or someone else. Spend time praying that God would give you the heart to forgive them just as He has forgiven you.
