

FAMILY WORSHIP DISCUSSION GUIDE

PRAY

Pray, thanking God for revealing part of his nature and character to us through His Word.

READ

Read Psalm 135:1-7 aloud.

DISCUSS

- What is the best nickname that you have ever heard? Why is this nickname great?
- What does the Psalmist know about God based on the passage? Why is it important that the Psalmist knows these things?
- What are things that you know about The Lord that lead you to praise Him? What are ways that you can grow in your knowledge about God?

SING

Sing the hymn, "I Stand In Awe," together as a family.

PRAY

Follow this link to [The Joshua Project](#). You will see a list of people groups who have never heard the Gospel. Choose a people group from this list and pray specifically for God to send Christians to take the Gospel to that group so they can praise Him just like we do.
