# Welcome Message

---

***“Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all that I have commanded you. And behold, I am with you always, to the end of the age.”***

**Matthew 28:19-20**

Moments before Jesus’ ascension, He commissioned His disciples to bear witness to the world about Jesus (Matthew 28:19-20; Acts 1:8). It was about a year earlier, however, that Jesus taught the disciples a related truth. Before sending them out into towns to testify ahead of Jesus’ ministry there, He said to them, “The harvest is plentiful, but the laborers are few. Therefore pray earnestly to the Lord of the harvest to send out laborers into His harvest” (Luke 10:2). Then, He called them out to be the laborers unto the harvest by saying, “Behold, I am sending you” (v.3). They were to be the answer of their own prayers! Here, too, is the truth they learned: Prayer is the engine that drives the Church toward the mission.

You have in this resource a prayer guide that will bend your heart toward the heart of the God who is on mission. Pray. Pray for the mission. Pray for those yet to be reached with the Gospel. Pray for those who have answered the call to go already. Yes, and pray for how you can join them as a Gospel laborer. Let us pray and then let us go, because Jesus is worth it and those for whom He’s died are worth it, too.

You are Sent!  
Pastor Darren

# Introduction

## Introduction

This prayer guide is designed to help set the tone for prayer for the unreached people of the world. We should be encouraged as we read God's word and understand we have a part to play in bringing the Glory of God to the ends of the earth.

"I will give you the keys of the kingdom of heaven, and whatever you bind on earth shall be bound in heaven, and whatever you loose on earth shall be loosed in heaven." Matthew 16:19

As believers, we have confidence that when we pray for the lost and those without hope, God hears our prayers and moves on our behalf. Strongholds are broken, doors are opened for gospel conversations, visions and dreams are seen, and the Glory of God is realized. We have been given the keys to Heaven and we get to stand in the gap between Heaven and Hell for those who have not heard the gospel.

Thank you.....

## What is a people group?

---

### A people group or “ta-ethne”?

People groups are a large number of people who have a common history, language, customs, belief/religion, identity, ethnicity, and more. Language is the most common identifier of a people group. People groups are also known as “ethnic groups.” The term “ta-ethne” in the Bible is often translated as “the nations” but actually refers to ethnic groups or people groups. There are more than 17,000 people groups that live throughout the 196 countries that make up the world today.

### What does it mean to be an unreached people group or UPG?

A people group is considered to be unreached when less than 2% of the population is evangelical Christian. This means there are too few believers to evangelize the rest of the people group. Of the more than 17,000 people groups worldwide, there are 7,220 people groups that fall into the category of being unreached. There are over 3 billion people who do not have a relationship with Jesus and have little access to the Gospel. 42.6% of the world’s population is considered an unreached people group.

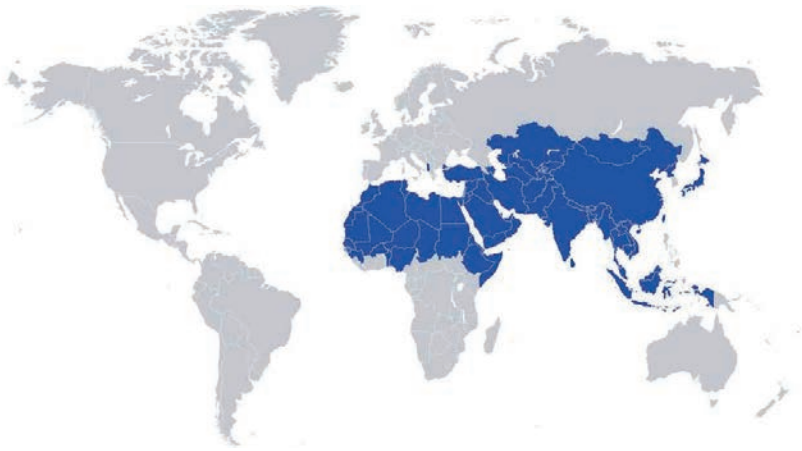

95% of the world’s UPGs live in what we call the 10/40 window. The 10/40 window stretches from North Africa to Southeast Asia.

UPG example - Most people consider Pakistan to be “one nation.” In reality, Pakistan has over 400 nations or people groups living within its borders.

#### **DID YOU KNOW?**

It is estimated that over 350 unreached people groups live in the United States as immigrants, refugees, and international students.

## **What is a UUPG or unreached unengaged people group?**

To be considered an unreached unengaged people group, you would live in a country that has:

- No active church planting efforts
- No Christ followers actively working to reach the people
- No missionaries actively engaging the people

There are approximately 3,000 people groups that are considered UUPGs.

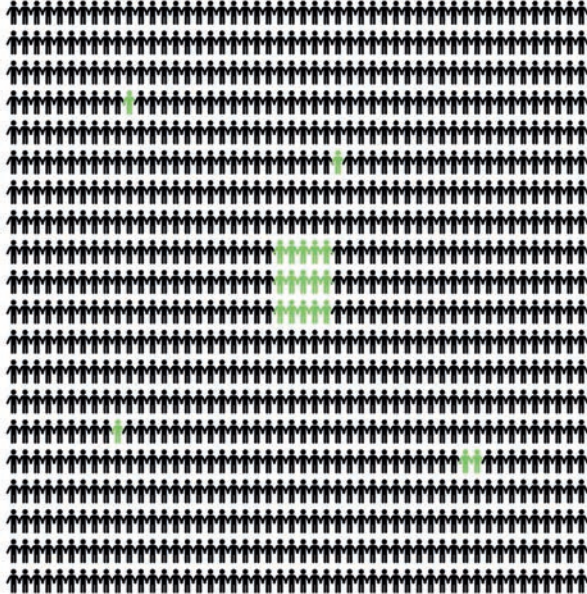

## **What is a FPG or frontier people group?**

Frontier people groups are a subset of unreached people groups. FPGs are isolated and require pioneer cross-cultural workers to reach them. This people group is a particularly challenging group, due to the lack of any Christian community to build on, with less than 0.1%.

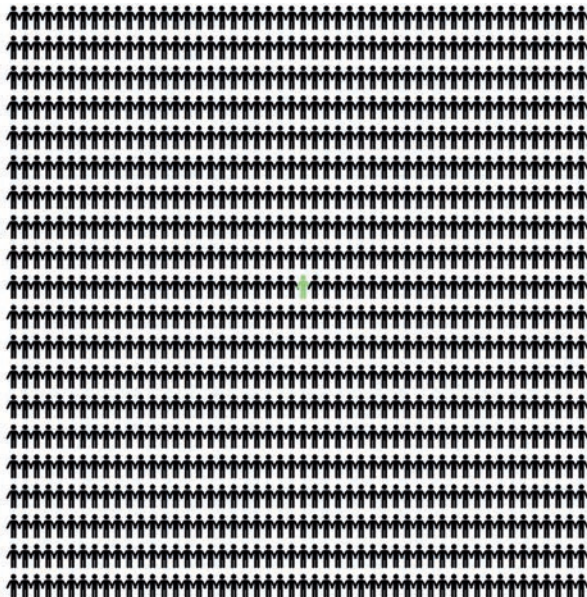

There is virtually no Christian adherence among this people group. Many who fall into the FPG do not have a Bible translated into their language or audio recordings of the Bible; virtually nothing points them to Christ.

There are approximately 1,000,000 FPGs located in the 10/40 window. India alone is home to over  $\frac{1}{3}$  of all frontier people groups.

# The Need

---

## Two out of five

Two out of every five people on Earth have never heard the name of Jesus and have no access to the Gospel.

## 3.1 Billion

That means 3.1 billion people are unreached and living in total darkness. Many of the 3.1 billion have no Bibles, no churches, and no Christian to share the love of Jesus with them.

## Less than one cent

Interesting fact: Less than one cent out of every dollar given to fund missions around the world goes toward reaching these 3.1 billion people with the gospel.

**But there is hope...and it all starts with prayer.**

# The Power of Prayer

---

Prayer changes lives. It changes our own lives as we seek to grow deeper in our faith and relationship with God. By humbling ourselves before God, He can more effectively use us to accomplish His Great Commission. Prayer also radically changes those for whom we are praying.

*The prayer of a righteous man is powerful and effective. James 5:16*

Prayer is a powerful weapon against the kingdom of darkness and foundational in the life of a believer.

*For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms.....And pray in the Spirit on all occasions with all kinds of prayers and requests. With this in mind, be alert and always keep on praying for all the Lord's people.*

Ephesians 6:12, 18

So, today you are invited to pray for the unreached, so the Gospel may reach them, change their hearts, their lives, and the Glory of God may be seen among all nations.

*After this I looked, and there before me was a great multitude that no one could count, from every nation, tribe, people and language, standing before the throne and before the Lamb. They were wearing white robes and were holding palm branches in their hands. Revelation 7:9*

# How to use this Prayer Guide

---

As you flip through the pages of the prayer guide, our hope is that you will be filled with a desire to pray for those without the hope and assurance of an eternity in heaven. This prayer guide is just that—a guide. We have provided you with basic information, statistics, and prayer prompts to get you started. We have included a Local section that is specific to Marion County, a Domestic section that is specific to the United States, and an International section.

This guide can be used in many ways. For example, it can be used in a group setting like your Sunday morning Community Group, your mid-week group, with your family or spouse; you can start a monthly prayer group; or it can be used during your daily devotional or quiet time.

Be creative! Pray that the Spirit of God will use you, the information in this book, and your prayers to change lives.

*For the Earth will be filled with the knowledge of the  
Glory of the Lord as the water covers the sea.*

## DEMOGRAPHICS

Did you know Marion County’s estimated population is 427,973, and we are projected to reach 462,000 in the next few years. Marion County is one of the “Fastest Growing Counties in the US.”

Demographics -

- White – 69.46%
- Hispanic – 17%
- Black – 12%
- Multi-racial – 11%
- Asian – 2 %

Ocala is also known for its many retirees and retirement communities, so it is not surprising that Baby Boomers take the lead in this area. Here is how the generation groups stack up:

- Baby Boomers (1946-64) - 120,762
- Millennials (1981-98) - 74,001
- Gen X (1965-80) – 71,461
- Gen Z (1999-2016) - 71,277
- Greatest Generation (1945 and earlier) - 37,790
- Generation Alpha (2017 or later) - 29,056

## *REACHING OUR COMMUNITY FOR CHRIST*

While most of these stats are interesting to look at, we know our community needs Christ more than ever. And while there are some 394 congregations in Marion County, only 38 percent of the population consider themselves adherents to any religion, with 62 percent proclaiming no religious affiliation.

The top five religious congregations in Marion County are Catholic, Non-denominational, Southern Baptist, United Methodist and Jehovah's Witnesses.

- 38,372 – Catholic Church
- 30,340 – Non-denominational
- 18,015 – Southern Baptist
- 7,730 – United Methodist
- 7,288 – Jehovah's Witnesses

But these numbers do not tell the whole story. While Marion County may be one of the fastest-growing cities in the US, we have not had a large influx of "nations" knocking at our door. But they are here. Ocala has an Islamic Center, a large Hindu Temple, and several Jewish synagogues.

Although Marion County is not a large melting pot of ethnicities like Orlando, Tampa, Miami, and Jacksonville, we still have many opportunities to share the gospel cross-culturally. Next time you go to the grocery or the mall, visit a college campus, or look for a new place to eat out, take a few minutes to look at who is behind the register. Listen to the languages being spoken, and notice what ethnic restaurants are popping up. You will see many opportunities for cross-cultural gospel conversations. Consider this: you may be the only person to ever tell them about Jesus.

### Prayer Prompts

- Pray for the spiritual awakening of Marion County's residents, that they would come to know and follow Jesus Christ.
- Pray for healthy, vibrant discipleship communities within local churches.
- Ask God to open doors for cross-cultural gospel conversations.
- Pray for godly leaders within the church and community.

# Horse Industry and Farm Ministry

Ocala is known as the Horse Capital of the World! Its warm climate and rich soil are ideal for raising healthy, strong horses. Marion County is home to about 75,000 horses, the largest single county equine population in the U.S.

Many of those who work in the local equine industry are immigrants from Mexico. Ocala Farm Ministry, located in Northwest Marion County, also known as "Little Mexico," ministers to immigrant workers. The estimated 3,000 horse farm workers speak little to no English and have very limited resources, with incomes ranging from \$15,000 to \$20,000 a year.

Ocala Farm Ministry—led by Chaplain Bob Miller and his wife, Dolores—runs an after-school program for the children of the horse farm workers. Dolores and volunteers help with reading and math three days a week. Both Chaplain Bob and Dolores are passionate about sharing Christ with the families of Little Mexico. You may be encouraged to know that the children who attend the after-school program hear the gospel every day before leaving to go home.

ESL classes and medical clinics are needed, as well as more Christians sharing the gospel with these people.

Prayer Prompts for Ocala Farm Ministry

- Pray for open doors for gospel conversations with the children and their parents.
- Pray for future ESL classes.
- Pray for health clinics and health training.

# Caring for Our Widows

Did you know that Ocala has a large widow population, estimated to be around 72,000? And the Church has a responsibility to care for them.

1 Timothy 5:3 tells us that "we are to honor widows." Also, James 1:27 reminds us that "we're to visit widows in their distress."

Grief Share is an organized group that meets in many of our local churches, including at First Baptist. It's a safe place where widows can meet together to share their grief and also receive comfort from one another.

The deacons at First Baptist also minister to our widows, with each widow and widower of our church being assigned to a deacon.

Prayer Prompts for the Widows and Widowers of Marion County

- Pray for comfort in the Lord.
- Pray for their physical/spiritual needs to be met.
- Pray for Christian community.

## Help for the Homeless

According to the 2023 Point in Time Count, there are about 454 people in this area experiencing homelessness, but there could be more. You can see them almost everywhere you go. The Bible calls for us to be gracious to the poor (Proverbs 19:17, Proverbs 14:31, and Deuteronomy 15:7,8) and to be generous to the poor (Proverbs 22:9).

Local organizations that help support the homeless include Arnette House, Inc, Marion County CoC, Interfaith, Salvation Army, Shepherd's Lighthouse, and Wear Gloves.

Prayer Prompts for the Homeless

- Pray that homeless individuals can receive help.
- Pray for these shelters to have adequate resources.
- Pray for opportunities to share the love of Christ with them.

## Foster Care

Like many other communities, Marion County faces the challenge of providing safe and nurturing homes for children who cannot live with their biological families. Foster care plays a vital role in ensuring these children have a stable environment where they can thrive. Florida ranks third nationwide with 16,940 children in foster care. As of August 2024, there were 701 children in foster care in Marion County and only 96 licensed foster families.

A staggering statistic reveals that one in four former foster care youth become homeless within four years of aging out. This alarming rate highlights the challenges these young adults face in transitioning to independence. Additionally, some foster placements can be worse than the situations children were removed from, leading to further trauma and instability.

Prayer Prompts for Foster Children

- Pray for safe Christian foster homes.
- Pray that the children in foster care will find loving forever families.
- Pray about becoming a trained volunteer or mentor for a foster child.

*Rejoice always, pray without ceasing, give thanks in all circumstances; for this is the will of God in Christ Jesus for you. 1 Thessalonians 5:16-18*

## *REACHING OUR COUNTRY FOR CHRIST*

For centuries, America has been known for its wide range of ethnicities, religious freedoms, and cultural diversities. Today, this truth is realized in millions of ways.

### **Let's look at who makes up the melting pot known as America.**

The population of this county is estimated to be around 340 million, with more than 1,500 ethnic groups represented. The US is the world's third-largest country by area and population.

Over the past two years, the U.S. foreign-born population has grown at a record pace, reaching 51.6 million by March 2024 as people seek refuge from war, organized violence, political repression, and economic hardships.

---

### Religious Affiliations

Did you know there are 356,000 religious congregations in the United States? That's about 113 churches per county in the nation, or about one congregation for every 1,000 Americans. For reference, there are only 13,400 McDonald's locations and about 16,000 Starbucks locations.

While the number of churches may seem high, church attendance has declined significantly since the turn of the 21st century, according to multiple surveys from several research institutions. The information below, from Gallup's recent survey, illustrates the trend:

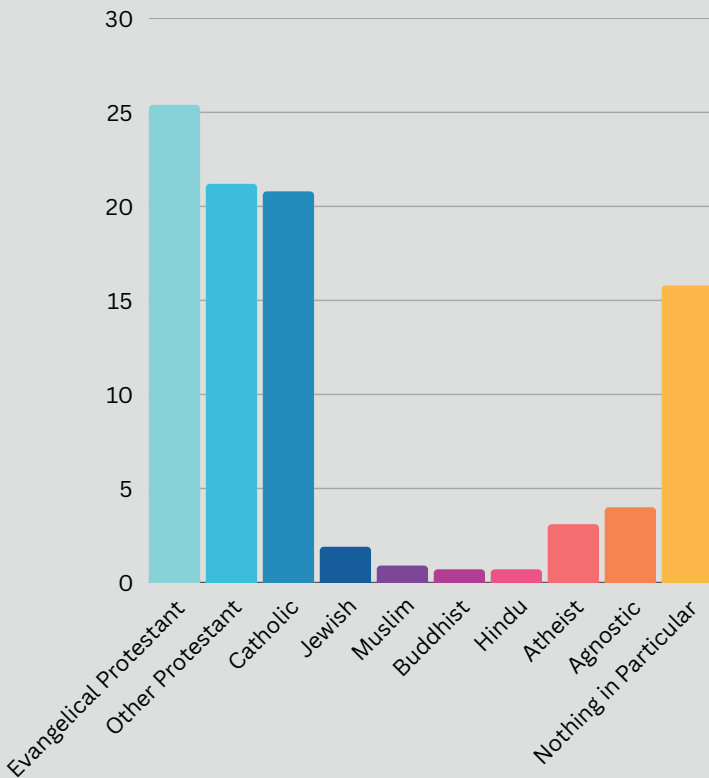

### Key Statistics:

- 20% of Americans attend church every week.
- 41% of Americans attend church at least once a month.
- 57% of Americans are seldom or never in religious service attendance.
- 39% of Millennials report attending church on a weekly basis.

Here is a breakdown of religious affiliation in America:

- Evangelical Protestant: 25.4%
- Other Protestant: 21.2%
- Catholic: 20.8%
- Jewish: 1.9%
- Muslim: 0.9%
- Buddhist: 0.7%
- Hindu: 0.7%
- Atheist: 3.1%
- Agnostic 4%
- Nothing in Particular: 15.8%

### Religious Affiliation in America

While the population has surged in some areas, the number of churches has not grown accordingly. The counties that grew the fastest over the last 10 years are most likely to have a very high ratio of people vs. churches. In other words, more church plants are needed. A church on every street corner is a kingdom outpost for the gospel!

# Unreached People Groups in America

---

The USA is home to numerous ethnic groups with over 350 languages, including more than 80 unreached people groups or UPGs. These are ethnic groups not currently being reached with the gospel. This variety often creates linguistic and cultural barriers, making it difficult to communicate the gospel.

Common barriers to reaching the unreached include:

## ***Cultural Barriers***

- The cultural practices, traditions, and societal structures of the UPG often set them apart from those of the majority culture; therefore, it is essential to approach them sensitively and respectfully.

## ***Language Barriers***

- Language acts as a crucial bridge for effective communication and relationship-building. Linguistic diversity sometimes poses daunting challenges in engaging with UPGs. Understanding their native languages facilitates meaningful conversations and demonstrates a genuine desire to connect and learn from their culture.

## ***Legal Barriers***

- Certain UPGs may have legal issues such as undocumented immigration in the U.S. They may prefer to remain low key in their host communities and not venture out to connect with churches or missionaries. Members of churches and mission groups in some instances also may not prioritize these undocumented UPGs in their evangelistic ministries for fear of becoming embroiled in legal controversies.

## ***Geographical Barriers***

- Many UPGs in the U.S. are dispersed throughout urban areas, making it challenging to locate and reach them. Additionally, the physical distance between UPG communities can hinder efforts to establish and continue evangelical initiatives.

# Unreached People Groups in America

---

## ***Competing Priorities and Interests***

- Churches and individuals in the U.S. have many competing priorities and interests. This can make it difficult to focus attention and resources on reaching UPGs, particularly when weighed against more pressing social or economic issues.

## ***Barriers of Indifference or Prejudice***

- Some members of church or mission groups may have strong prejudice against foreigners who are in the U.S., especially if they happen to be undocumented immigrants. This biased attitude can lead to indifference, which can be a barrier to evangelizing certain UPGs.

## ***Spiritual and Social Barriers***

- UPGs in the U.S. have deep-rooted religious and ideological beliefs that shape their worldview and spiritual practices, often resulting in resistance to the Gospel. Conversion to Christianity from Islam, Hinduism, or Buddhism can mean alienation from one's family, community, and inheritance, which could lead to social ostracism or persecution.

*The god of this age has blinded the minds of unbelievers, so that they cannot see the light of the gospel that displays the glory of Christ, Who is the image of God.*

2 Cor 4:4

Addressing these and other related barriers, churches and mission organizations will need to make cohesive and collaborative efforts. They will need to make an intentional initiative to understand and engage with the unique cultural, language, and spiritual differences of the UPGs in the U.S. Effective teaching by churches and mission groups is also essential in order to educate their members on the need for sharing the Gospel with the UPGs without prejudice or indifference.

## General Prayer Points for UPGs

- Pray God will soften people's hearts and open their minds to the saving truth of the Gospel.
- Pray God will remove their spiritual blindness and prepare their hearts to receive Jesus as Lord and Savior.
- Pray God will open doors for His Gospel to reach people groups who are in spiritual darkness.
- Pray God will break down all cultural, linguistic and religious barriers that hinder the spread of His Word.

***Devote yourselves to prayer, being watchful and thankful. And pray for us, too, that God may open a door for our message, so that we may proclaim the mystery of Christ, for which I am in chains. Colossians 4:2-3***

***.... God our Savior, who wants all people to be saved and to come to a knowledge of the truth. 1 Timothy 2:3-4***

- Pray God will raise up bold and courageous local leaders and equip them to share the Gospel effectively within their own culture and context.
- Pray for missionaries, evangelists, and church planters who are committed to reaching these UPGs.
- Pray God would fill you with a passion for His Glory and a deep burden for unreached souls.

***The harvest is plentiful, but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into his harvest field. Matthew 9:37-38***

## *REACHING OUR WORLD FOR CHRIST*

As we move into the international section of the prayer guide, let's take a look at the world religions you will read about in the weeks and months to come.

Prayer is of vital importance for every believer and is the foundation of every successful relationship. Our relationship with God and the relationship others have with Him. Every major revival was preceded by an abundance of earnest prayer.

There are people groups around the world with limited or no access to the Gospel. Together, we can lift our voices to God on their behalf, praying that God will break down the barriers and cause a revival to break out among those who have not heard the Gospel.

You may find this information helpful as you pray for the lost around the world.

## Eastern Aleut in Russia

Population: 400

Religion: Non-Religious - 99%

Christian: 1%

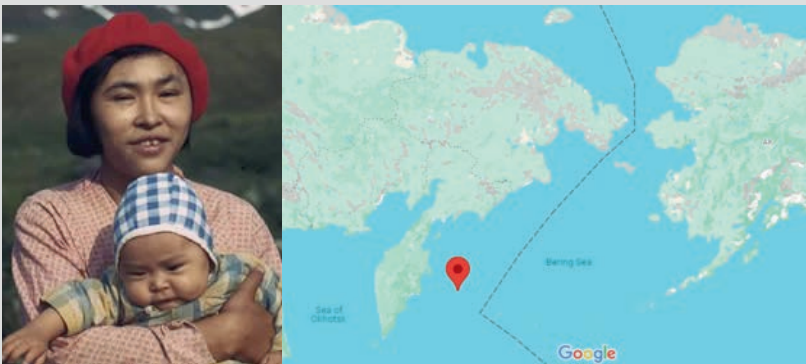

When the Russian Empire sold Alaska to the United States in 1867, there were indigenous peoples who were now living on either side of an international border since their Aleutian Island chain straddled both countries. Traditionally, they were hunters.

Known Needs: Eastern Aleuts need the opportunity to earn a living in a more sustainable way than fishing and hunting.

Prayer Prompts:

Total Population: 16,283,000  
Religion: Buddhism - 85.8%

Out of the 67,000 Khmer people in Thailand, most are women and orphans. They do the work of both men and women in their village. The women wear colorful clothing to add life to their unhappy environment. Red and white are their colors of choice.

The Khmer people are Buddhist, although they also practice ethnic religions such as ancestor worship (praying to deceased ancestors for guidance) and spirit worship. Due to Buddhist influence, the Khmer also seek the middle path to nirvana, or ultimate peace, through gaining merit in this life. Merit may be gained by supporting the construction of new Buddhist temples, by giving food to Buddhist monks, and by studying in the monastery. Peasant boys often became monks to gain an education in Buddhist monasteries.

Known Needs - Loving Christians who will introduce them to the Prince of Peace, Jesus Christ.

- Ask God to call forth prayer teams who will begin breaking up the soil through intercession.
